# Vikings Need Win At Pellston Friday

GRAYLING SCORES — The picture above was snapped as the Vikings scored against the Mancelona Ironmen in the Grayling High gym last Friday night in a Northern Class C Conference game. Viking players from left to right are: 34 - Bill Joseph; 42 - Tim Neal; 44 - Chris Kroll and 52 - Tom Wright.

## Eagles Resume Action Friday

The Frederic Eagles will resume their 1962-63 cage action this Friday night on the home floor when they entertain the varsity and junior varsity squads from Aioia.

The Eagles under their new coach Bill Johnson are still seeking their first victory of the campaign as they are in a rebuilding process this year.

The Eagles have been idle since December 7th as a date for December 14th at Rapid City was cancelled when Rapid City school officials cut the entire cage schedule out. What effect that long lay-off will have on the Eagles will be revealed Friday night. With a long time to work with his squad, possibly Coach Johnson will come up with a few surprises.

## Big Wheel Restaurant Now Under New Management

Mr. and Mrs. John Howe are the new managers of the Big Wheel restaurant as of January 1st, 1963, in place of the Walter Johnsons and Jim Hunter who managed it for several years. Mr. and Mrs. Howe have been in this area since 1959. They originally moved here from New Boston, Michigan, where he worked for the Highway Department. Mrs. Howe helped to organize the school cafeteria there. The Howes ran the restaurant across the highway from the Big Wheel in 1960. They have a son who attends Grayling High school, and a daughter who holds a stenographic position down state.

## C.U.S.S.A. Meet At Boyne Mt.

Myrton Burrows Photo

The first Central U. S. Ski Association, Region 3 Junior Alpine event is to be held Sunday, January 13th at Boyne Mountain. Race entry closing time is 9 a. m. This is the first of five races to be held in Region Three this winter. The next will be at Crystal Mountain near Beulah on Sunday, January 20th.

To enter these races juniors must belong to the Central U. S. Ski Association and possess a competitors card.

Information and application blanks can be obtained by contacting Jack Mason of Grayling, junior committee member, and meet manager for Region Three.

Among the young people planning to attend the Sunday meet are Mickey Stillwagon, Mark Anderson, Jack Mason, Jr., Mike Mason, John Cook, Jack Welch and Pat Buron.

## Local Selective Service Clerk Given Award

Certificates of Appreciation were awarded today to personnel of the local Selective Service Board in recognition of their outstanding public service to the nation, it was announced by Charles E. Moore, chairman of the local board.

Awards were presented to the following at a ceremony at the Local Board office: Mrs. Edith M. Lovely, Clerk - 10 year certificate of service.

In transmitting the awards issued in the name of the President and the National Director of Selective Service, Colonel Arthur A. Holmes, State Director, declared "with this Certificate goes my sincere appreciation for your devotion to duty, your integrity and leadership and your demonstrated spirit of volunteer public service."

"These are the qualities which have made it possible for Selective Service to accomplish every mission assigned in peace or war. They are the qualities for which you have earned the respect of our fellow citizens. In no small measure they have contributed to the security of our nation."

## Woman's Club

The Womens Club held a business meeting Monday evening at the club house with Mrs. C. R. Holcomb, president presiding.

An interesting letter was read from Mrs. Violet Ferrell, a former member, who now lives in Tullahoma, Tenn.

Various business was discussed and reports given.

Lunch was served by Mrs. Joseph Stripe and Mrs. Les Welch. The table decoration was an attractive arrangement of dried rustic flowers and pods.

IMPORTANT  
The new number to call in case of a fire at Frederic is 348-3811.

Along with our automatic dial telephone service, a new volunteer fire system has been installed. Our community has long needed this type of fire system.

At any time you are using your telephone and a low volume intermittent tone is heard, this is a warning tone which means a FIRE call has been made. It is imperative that you hang up your phone immediately so this fire call can be completed and answered by your volunteer fireman.

Arthur Mayer

To Crown Grayling Queen

CHARLES B. PARK

## Bowhunters To Open Winter League Shoot

Bowhunters Winter League starts next Monday, January 14th, 7:30 at the clubhouse. All interested archers please be there.

The annual meeting and election of officers of the Grayling Bowhunters will be held on January 28th at 8:30 p. m. at the Bowhunters Clubhouse.

The Bowhunter's membership drive is now on. Join the Grayling Bowhunters!

## Exchange Council Holds Meeting

The Exchange Student Council met Monday evening in the Alumni room at the high school gym.

Five groups were represented. Mrs. Colin Campbell was elected chairman of the council, Mrs. Harold Dykema, sec'y., and Don Gottho, treasurer.

It costs \$150.00 for a foreign student to come to Grayling and \$725.00 to send a local student abroad.

Mrs. Joseph Stripe will be requesting interested juniors to sign up for the program soon.

Each local group or club will be asked for an estimated pledge to support this program. Arrangements must be completed by April.

Local host parents are needed. Their duties are to accept the student as a member of the family and furnish him room and board. The student should accept responsibility for helping around the home, keeping his room tidy and clothes in order. Any additional or unforeseen needs would be taken care of by the exchange council.

If anyone is interested in being a host parent, please contact Mrs. Campbell at 348-8306 or Mrs. Dykema at 348-3841.

Any individual or group not contacted wishing to contribute can leave donation at the Exchange office or with Don Gottho at Petersons Hardware.

## Went's Lone Pine Inn In Remodeling Program

Went's Lone Pine Inn is in the process of a complete remodeling program. The first step in the planned improvements has been completed, that of redoing the north dining room. Among other things a cozy fireplace has been added and the back wall redone in stone to match the fire place.

The work is to be continued throughout the winter months on the usual days of closing only, Wednesdays and Thursdays and is hoped to be completed by spring.

Plans call for a kitchen enlargement and the addition of more equipment including a "char-rock" broiler. Also planned is the addition of a dining room on the south end of the present structure.

The Inn will re-open for business on Friday.

## Conservation Notes

With the new year comes the necessity of a new fishing license. It is also necessary to have a trout stamp to fish for Rainbow trout thru the ice during the January and February season.

In Crawford County we have but one lake which is open to the taking of Rainbow trout thru the ice during this season of January and February, and the lake is Shubac Lake. There are other lakes in the counties near Crawford and for information concerning which lakes are open, you may call the Grayling Field Station.

While fishing in Higgins Lake or other lakes where Lake trout are taken, it is not necessary to have a trout stamp to fish for Lake trout.

All structures and shelters (shanties) placed on the ice shall be identified with the name and address of the owner affixed to the outside in letters not less than two inches high.

Structures shall be removed before ice conditions become unsafe. It is also unlawful to place, deposit or leave bottles, cans, or rubbish on the ice or in the water.

## Grayling Homemakers Plan Clothing Drive

The Grayling Future Homemakers of America will hold a clothing and toy drive on Wednesday, January 23rd. Certain girls will be assigned to call at each home after 4 p. m. to pick up all clothing and toys.

All clothing and toys will be accepted regardless of condition as they will be repaired and given to needy families.

## Emil L. Kraus, Attorney Establishes Grayling Office

Emil L. Kraus, former Grayling resident, after 16 years in the general practice of the law in Detroit, has set up a full time law practice in Grayling.

For the present time, his office will be located in the office of the Northern and Department Store building. Also for the present, he will make his home with his sister, Virginia, at 709 Michigan avenue.

In the spring, Mr. Kraus will start the construction of a new home at the northeast corner of Peninsular and Ogema. His wife, Amalia, and two daughters, Mary Virginia and Emily will remain in Detroit until the present school year ends. Mary Virginia and Emily attend school at the Convent of the Sacred Heart, Bloomfield Hills, near Detroit.

Mr. Kraus was born in Grayling in 1917 and graduated from Grayling High School in 1934 as president of his class. In 1938, he graduated from the University of Detroit with a Bachelor of Philosophy degree. In 1941, he received his Bachelor of Law degree from the University of Michigan and was admitted to the practice of law that same year.

Beginning in 1942, Kraus served in the United States Coast Guard as an officer until his discharge from the service in 1946.

Since his discharge from service, he has practiced the law in Detroit for 16 years and served as general counsel and executive Vice President of his father's insurance company, the Commonwealth Casualty Company.

Officers installed were: President, Dr. Ralph Hoffman; first vice president, Robert Boyce; second vice president, Donald Jansen; treasurer, Earl Burns; secretary, Robert Aschenbrenner; directors, John Ludeman, Wesley LaGrow, Lawrence Hunter, Marvin Miller, Donald Bartholomew, Derek McEvers and Jay Doty.

President Hoffman assumed the presiding chair and announced that the Kiwanis Mid-winter meeting would be held at the Wenonah Hotel in Bay City on January 13 and 14. Due to his inability to attend, he appointed Secretary Aschenbrenner as the official club delegate.

It was also announced that any Kiwanis bowler who would like to take part in the Kiwanis Tournament to be held in Cadillac in March, should notify Dr. Leonard Allison no later than next Monday.

## DANISH COUPLE VISITS HERE

Alfred Hanson, accompanied by his sister and her husband, Mr. and Mrs. Karl Fredericksen, of Nykoping, Falster, Denmark, left Tuesday on a three week tour to Florida and back, their destination the Keys. They planned to go down one side and back the other.

The Fredericksens left Denmark on December 12th via Pan-American Jet plane. The trip took them to Hamburg, Germany, London, England and New York City, on to Seattle, Washington and hence to Everett, Wash., where they visited Mrs. F's sister, Mrs. Hansine Rasmussen, and her daughters and their families.

Rasmussen celebrated her ninth birthday while they were there, the purpose of their visit. The sisters had never met as Mrs. Rasmussen had left Denmark for the states before her younger sister flew to Detroit where they were met by Mr. Hanson, accompanying him to Grayling on December 21st. While in Detroit they visited the new Civic Center and J. L. Hudsons among other places of interest.

While here the usual traditional American Christmas which is different from the Danish celebration, was enjoyed with a tree Christmas morning at the Clyde Weiss home and dinner later in the day at Mr. Hansons, prepared by Mrs. Eric Post. During their stay Mr. Hanson took them various places.

They visited the Grayling Winter Sports Park, Skyline, Mt. Frederic, Hidden Valley and AuSable Ranch, this being new to them being nothing like it in Denmark, the terrain not being suited to the sport. They also took a trip across the Mackinac Bridge to see the new International Bridge at Sault Ste. Marie. Mrs. Post accompanied them.

Last Sunday Mr. and Mrs. Viggo Mikkelsen of Detroit accompanied by his sister, Mrs. Erna Christensen of Copenhagen, Denmark, who has been spending the holidays with them, came to Grayling and called on Mr. Hanson and his guests.

The Fredericksens last visited here in 1949.

Miss Grayling 1963 will be presented and crowned this Saturday night at a dance to be held at the warming house at the Grayling Winter Sports Park. She will receive her crown from the hands of Charles B. Park, Grayling summer resident and director of Special Studies at Central Michigan University at Mount Pleasant.

The five finalists for the title of Miss Grayling 1963 was determined at a luncheon held at the Chief Shoppensons Motor Hotel on Tuesday noon of this week. Judges were: Robert Dittmer of radio station WJGL, Houghton Lake, Robert Fritz, WATC, Gaylord and Meldon Pitt of Grand Rapids.

Named as finalists were: Julie Carlson, Carole Gross, Toni Madsen, Penny Pettyjohn and Sharon Williams. The queen was also selected but the girl's name selected was sealed into an envelope by the judges and will not be revealed until Saturday night. The envelope has been placed in trusted hands and is under lock and key in order that no person except the judges will know the girl's identity until Saturday night.

Meantime plans are being stepped up for the 38th Annual Grayling Carnival and are beginning to take shape. At a meeting of the Grayling Steering Committee held Sunday at the hotel, chairman for the various committees were named and they will be selecting members for their committees this week and will begin work to map out their plans.

Named as general chairman for the carnival is Arnold Mauren to be assisted by Don K. Gottho and Nels Olson. Other committee heads named were: Queen's Ball - Carroll Wirt; transportation - Harold "Spoke" MacNeven; parade - Don Smock; Queen's Banquet - Jane Ann Patchak; luncheon - Mrs. Bernard Fowler; housing - Pat Kahoun; registration and Queen's Committee - Mrs. Richard Rasmussen; judges, officials and publicity - Arnold Mauren; park activities - Lewis Stillwagon.

Several groups have registered for trips here this season for winter sports at the group numbered 150. They have accommodations in various motels in the area.

The annual Cooley High School winter trip to Grayling will be from January 25 through 27th. No figures are available for this year's trip but last year the group numbered 150. They have accommodations in various motels in the area.

The weekend of February 22 to 24, a group of young people from the Methodist Church in Ithaca will be here for winter sports. They will be accommodated at the Grayling Bowhunters building.

Dec. 31, 1962

Mr. Robert Strong  
Grayling, Michigan  
Dear Bob:

Greetings to you and Eva and all our friends.

We are finding it both exciting and exhilarating to be living in the fastest growing county in the United States. People are coming at the rate of 3000 persons every month. That of course makes for a terrific building boom. Last year \$34,000,000 were issued in building permits.

Cocoa and Rockledge are really one city. They are located on the Mainland just across the river from Cape Canaveral. So far we have seen three missiles go up. All were launched successfully and hit their appointed target.

Except for a few days the weather has been quite cool. Two nights it froze real hard with temperatures dropping as low as 15° in some areas. The citrus fruit was damaged quite heavily. The next morning it looked like it does up north when a hard freeze comes in October.

We have been here now over a month and are enjoying our stay. So far we haven't moved around much but have been over to Tampa and St. Petersburg, also visited the Bok Tower.

On our way down from Newark, N. J. we came through the Carolinas and Georgia. Now we know what they mean when they speak of the poor South.

We are also watching closely the integration problem. Some gains are being made but we see much that irritates us.

Our son Jack is teaching in the Titusville High School. His classes are composed of 11th and 12th graders. Titusville is located in this county.

In February 1963 the people will vote on a Bond issue for \$12,000,000 for new schools. This will be matched by the Federal Gov't. Only Freeholders can vote and they must register in order to cast their ballot.

Florida has some fine roads but not enough to carry the heavy winter traffic. Many new roads are under construction. Much of this road building is costly because so many Causeways have to be built.

In a few days we expect to shove off for Mexico. Will write again when we get located down there.

Best wishes for 1963.  
R. C. Puffer

## Is Lack of Trust Reason Girl Can't Date?

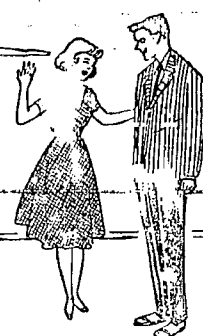

MY PARENTS DO NOT WANT ME TO DATE AT THIS AGE...

**THE WEEK'S LETTER:** "I am a girl of fourteen. The boy I am going steady with is 17. My parents like him very much and he comes to my home quite frequently. My problem is that my parents do not want me to date at this age. The same story 'all the other kids do it' isn't working out too well for me. I ask them if the reason they won't let me date is because they don't trust me and they say, 'No, this is not the reason.' Could you give me your opinion on when a girl should start to date?"

**OUR REPLY:** There is no definite age one can quote and say that a boy or girl who has attained it is old enough to date. We are individuals, no two of us alike, and some mature earlier than others. Many teenagers who believe themselves ready for "independence" have not the slightest notion that "independence" brings new responsibilities.

It is the opinion of this column

that your parents are "fair" and reasonable. They seem to put forth no objection to this boy visiting you at your home. This is more of a concession than many fourteen-year-old girls receive.

The excuse that "all the kids do it" does not work with your parents because they love you. You are their responsibility. This isn't really much of an excuse, anyhow. Some kids stay out late and get into trouble in various ways—kids no older than yourself. Do you want to do these things just because others do? Of course not.

We advise that you be content with your present arrangement. Be frank and be honest with your parents. Don't continually ask them "why" you can't date. Consider their responsibility as parents as well as your own desire to have dates. Earn their confidence in you by adopting a "fair" attitude of your own about the whole thing.

If you have a teenage problem you want to discuss, or an observation you make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFORT, KY.

## BITS O' TALK

Barry Pitts of Mt. Pleasant was the guest of Miss Jean Portwood and her family on December 29th and again on the 31st. On January 1st he returned to Mt. Pleasant with Jean as the guest of his family and himself, the next day driving Jean to her job in Xenia, Ohio, and returning to Antioch College himself.

R. E. DuBois of Birmingham passed away December 22nd, 1962, after being in the hospital for ten days. He was 67 years old. Services were held December 24th at the Bell Chapel in Birmingham, with burial in Roseland Cemetery in Berkley, Michigan. His son and family, Mr. and Mrs. Dick DuBois and some attended the services. Mr. DuBois having been called to Birmingham earlier. The family went on from Birmingham to Iowa on December 24th, to spend Christmas with her parents, Mr. and Mrs. R. E. Houck and Mrs. DuBois' brother Byrl Houck and family. They returned here on December 28th.

Mr. and Mrs. Bill Joseph attended the clothing show at the Statler Hotel in Detroit Sunday through Tuesday. Mrs. Marion Burch stayed with the Joseph young folks while they were away.

Mr. and Mrs. Jack Fenton and Bob, and John Engel, spent New Years day in Lake City, visiting Mr. and Mrs. John Booth. The Booths had recently returned from Scotland and had some very fine pictures to show their friends.

Mr. and Mrs. Barney Engel, Mary Ann and John, were in Traverse City the Saturday before New Years. Miss Mary Ann left the next day for Bay City and Elkton, Mich. to spend New Years with friends. She returned home on Thursday. Mr. and Mrs. Engel, John and Mary Ann, and Bob Fenton drove to Bay City Saturday, as Mary Ann was to resume classes at Northeastern School of Commerce this week on Monday.

Those enjoying the facilities at the Grayling Game Club, and skiing during the holidays were Dr. and Mrs. James Matthews and family, Dr. and Mrs. George Ren-ton and family, Mr. and Mrs. Robert Schneider and Mary Joe, Mr. and Mrs. Ted Rugland and family, and Mr. and Mrs. Albert Kuzma of Detroit, Mr. and Mrs. Jack Sieffert of Lathrup Village and guests Mr. and Mrs. William Hagenmeyer of Grosse Pointe.

The weekend before Christmas Mr. and Mrs. Arthur Carlson and family were in Battle Creek to visit the Raymond Root family, Saturday, and Sunday at Bellevue to attend a Christmas gathering of the Carlson family. Wednesday of the holiday week Julie Carlson left to spend a few days in Detroit with Mr. and Mrs. E. Lobdell and son. Les brought Julie home and stayed for some skiing at the park, staying with the Harold Clements at Lake Margrethe. On New Years weekend, Mr. and Mrs. Raymond Root and family came here from Battle Creek to visit the Carlsons.

The Misses Margrethe and Olga Nielson left Sunday for St. Petersburg, Fla., to spend the winter months in the sunshine.

Mr. and Mrs. Richard Klein of Okemos are the parents of an 8 lb., 3 oz. son, Joel Kim, born to them at Sparrow Hospital in Lansing on January 8, 1963. Mr. and Mrs. Robert Klein and Mr. and Mrs. Walter Mikesell are the happy grandparents.

Guests of Mr. and Mrs. Melvin Nielson New Years weekend were her sister and husband, Mr. and Mrs. Marvin Weissman and family of Detroit.

Mr. and Mrs. Cecil Wright of Flint spent the weekend and New Years with his brother and family, the Russell Wrights, Tom and Terry.

Dr. and Mrs. Ralph Steffe, Tom, Margaret and family of Flint spent a week at their home on the AuSable. They returned to Flint last weekend.

Miss Maria Louisa Guzman, who is the student from Mexico who is making her home with the Joseph Stripes, entered Mercy Hospital last week on Wednesday with a bronchial condition.

## Philosophy Of An Industry . . .

The slogans which businesses and other organizations use to symbolize observances commonly change from year to year. But there's at least one exception.

It is National Electrical Week, which is scheduled annually during the week of Edison's birthday, February 10-16.

In 1962 the theme was Electricity Powers Progress. And in 1963 it will be precisely the same. As a spokesman puts it, this theme "conveys concisely the philosophy of the industry . . . We within the industry know that the production and consumption of electricity is an important yardstick of our nation's growth and economic strength. Electricity powers—and creates—new businesses, new jobs, new products, new services, and new ideas, from which come progress—progress as a nation and progress as individuals."

This is all very true, and it is to be hoped that the coming Week, like those of the past, will renew the message in the minds of millions of people. Another vital point needs stressing too. It is that the enormous electric development in this country has been an achievement of private enterprise—and has been financed, voluntarily, through the resources and earnings of the industry and the invested savings of individuals. Private enterprise, given the opportunity, will continue to provide us with all the power we can use and more, and will pay billions in taxes for that privilege.

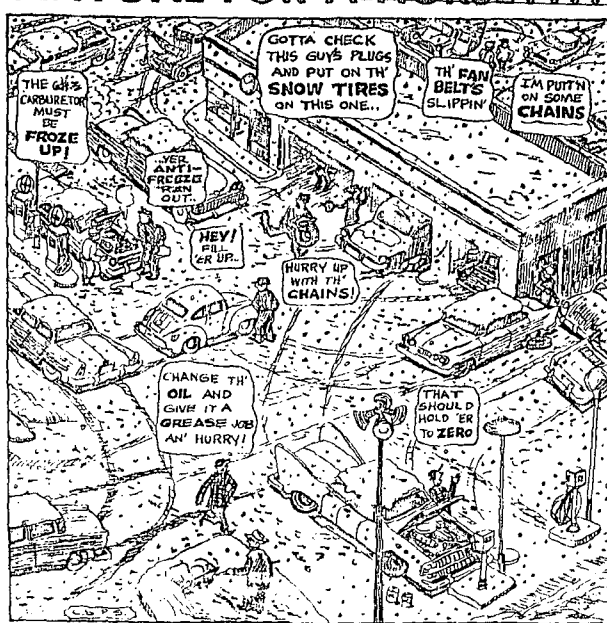

This, in simple terms, is the compelling answer to the arguments of those who would socialize the industry, create a bureaucratic monopoly, and spend needlessly billions of public money in the process.

## "Send More Money" . . .

An ancient joke tells of the amateur poker player who fell in with a group of professionals, lost his shirt, and wired home: "It's a great game. Send more money."

The American taxpayer is now in the shoes of that hapless victim. At the federal level, we hear much talk of income tax reduction—though how this can be accomplished, in the light of eight or ten billion dollar annual deficits without shrinking the dollar's buying power further, is a question that would stump Socrates. That aside, other federal plans, now in the press-on-regardless stage, call for a myriad of changes in tax policy that would subject

## ANYONE FOR A HORSE? . . .

individual and corporate taxpayers alike to an almost endless series of expensive irritations, and bury us under a flood of tax forms.

At the state level, there is, for the most part, a mad search for more tax revenues for welfare services, for schools, for highways, for urban renewal (the current polite term for slum clearance), and for just about anything else anyone can dream up. Most barbarous of all is the scheme—now in effect in some states, and planned by others—whereby federal income taxes are not allowed as a credit against state income taxes. Thus, the taxpayer pays a tax upon a tax, on money which he never really had at all.

No man can foresee the end. But the way we're going, that "Send more money" wire will have to go unanswered. The well runs dry.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE  
FILES OF THE AVALANCHE OF 23 YEARS AGO

January 11, 1940

Opening the season of winter sports, selecting a winter queen and entertaining a group of distinguished guests occupied the attention and time of the people of Grayling over the weekend. Ten well-known major league ball players were here to help make the event more impressive. While the opening didn't take place until Saturday, many of the diamond stars arrived here Friday afternoon. And as an introduction the public was privileged to see these men in action when they met the Hanson Cafe basketball team for a tilt following the Grayling-Gaylord game at the school gym Friday evening.

The next morning ball players took in the winter park and soon got into the winter games with spirit. They tried everything from skating, skiing, tobogganing, saddle skiing and ski jumping. In the afternoon the wives and other who accompanied the ball players were entertained at a tea at the home of Mrs. C. G. Clippert. Here sound records were made with about all the guests having a turn at the mike. In the evening there was a banquet at the Fisher Hotel dining room. Rabbit was on the bill of fare and some of the banquets were privileged for the first time to test the delicacy of northern Michigan snowshoe rabbit. The highlight of the big weekend was the ball given at the school gym Saturday night. At eleven o'clock, to the music of "Winter Wonderland," the nine lovely young ladies as queen contestants, led by junior pages, appeared at the front of the gym. They were Elsie Mae Lomotte, Norberta Weiss, Pauline Merrill, June Morris, Natalie Peterson, Gloria McNeven, Mary Jane Joseph, Bonita DeLaMater, and Ruth Burrows. The junior pages were Neil Welsh and Billyann Clippert. The judges were Jo Jo White, Dizzy Trout, Roy Cullenbine, Don French, Mike Tresh, Benny McCoy, Frank Secory, Bing Miller and Ki Ki Cuyler. When the last fair contestant had passed the line the judges went into a huddle

ness meeting in Saginaw. Supt. Hans L. Peterson is in Lansing this week on business with the State Conservation Department.

Mrs. Earl Dawson entertained the Danish Ladies Aid society at her home Thursday afternoon. A delicious lunch was served by the hostess.

Mr. and Mrs. W. K. William and Mr. and Mrs. Webb McCall of Mt. Pleasant drove up Saturday for winter sports and remained until Sunday at the William cabin on the AuSable.

Mrs. Lillian Ryan entertained Home Extension Group III at a social meeting at her home Thursday evening. Potluck dinner was enjoyed at 7 o'clock, with the hostess' contribution delicious chicken pot pie. The evening was spent visiting while others enjoyed cards.

Miss Emma Gierke is feeling much improved after having undergone an appendectomy at Mercy hospital Monday morning.

Mrs. Alfred Sorenson and daughters Marlene and Denise returned home from Saginaw after spending a week visiting relatives.

Mr. and Mrs. John Knecht had the pleasure of entertaining at breakfast Sunday morning Mrs. Secory, wife of Frank Secory of the Detroit Tigers. Mrs. Secory is a friend of the Knechts.

Ray and Norman (Bud) Stephans of Mr. and Mrs. John Stephans, Jr., who left New Year's day for the south, are now located in Orlando, Florida. They are accompanied by their cousin Roger Deckrow, son of Oscar Deckrow of Mt. Morris, and the trio hope to find employment, while they are taking in the sights and enjoying the south. Later they may head their way westward.

Miss Helen Isenbauer is the new clerk at the Kraus 5c to \$1 store. Mr. and Mrs. Chris Hoelsli and Mr. and Mrs. Nelson Corwin left Tuesday morning on their way southward for the winter. The Hoelslis have gone each season for the past three years so they have become regular southern visitors, but as soon as spring is nigh they are anxious to get back to the northland.

Sunday morning the thermometer dropped the lowest so far this winter, dropping to 13 below zero at 6 o'clock. In the afternoon the sun came out and with just enough frost in the air to keep the slides and skating rink in good condition, made the day ideal for the winter sports enthusiasts. Monday morning the temperature rose to 2 above in the morning and Tuesday dropped again to 5 above and at midnight Tuesday registered 3 below. This morning, Thursday, the temperature registered 25 above at 6 o'clock with about

2 inches of snow falling since Wednesday.

The third grade of Frederic school is making a movie of Snow White and the Seven Dwarfs.

Last Friday the Gaylord Blue and Gold basketball team easily defeated the Grayling Northern Lights by a score of 29-9. The Grayling Reserves swamped the Gaylord seconds 24-13.

Sunday afternoon officers of the Saginaw Chapter of Women of the Moose instituted the local chapter. Women of the Moose, and installed the following officers at the Moose temple: Mrs. Harold Hatfield, Senior Regent; Mrs. Emil Niederer, Junior Regent; Mrs. Bernard Brady, Graduate Regent; Mrs. Ernest Bissonette, Recorder; Mrs. Patrick McKay, Treasurer; Mrs. Middle LaMotte, Guide; Mrs. Loo Lovely, Assistant Guide; Mrs. Melvin Marshall, Sentinel; Mrs. Joseph Cinciala, Argus; Mrs. Floyd SanCarter, Pianist. The ceremonial work was beautifully done, with the ladies wearing white lace formal, and corsages, the latter having been presented by the Grayling Lodge Loyal Order of Moose. Following the meeting luncheon was served in the dining room, the tables being prettily decorated with pine boughs and miniature deer and white tapers. After the luncheon the guests departed, wishing success and good luck to the new chapter.

## Bits O' Talk

Mrs. Ernest Borchers and Don were in Cadillac to attend the wedding of her niece, Kay Stephan, to Ensign Ronald Walker on December 29th. Ensign and Mrs. Walker are stationed in Florida for the present.

The Claude Lytles had their grandchildren Nancy and Jim Lytle of Grosse Ile here for a visit after Christmas, which the senior Lytles spent with their son Claude, Jr. and family. Here's Johnny at age one after first operation... and today, leading a normal life at age four.

At his fourth birthday party, Johnny Wilson's big blue eyes sparkled as his mother carried in the most magnificent cake he had ever seen.

It was shaped like a huge boat plowing its way through mountainous waves of whipped cream and icing. Johnny's win-  
some smile beamed at friends and he gave out kisses all around.

It was a happy affair. Yet at one time, Johnny's parents had little hope he would live to celebrate even his first birthday. For he was born with the often fatal birth defect of wa-  
ter on the brain, or hydrocephalus.

Surgical treatment saved Johnny's life when he was three months old. At that time, doctors performed what is known as a shunt operation. They inserted in Johnny's head a plastic tube which allowed excess fluid from the brain to be harmlessly absorbed by the youngster's body.

Without the operation, fluid within the brain is prevented from taking its normal course,

and causes the head to swell enormously. This is what had happened to Johnny. (If shunt surgery is not performed in time, mental retardation and blindness may ensue, even death, in certain cases.)

Since 1958, doctors have per-  
formed two other shunt opera-  
tions and have treated Johnny for gastroenteritis and septic-  
mia.

Today, Johnny leads a rela-  
tively healthy, happy and care-  
free life. Like any other little  
boy who lives on a farm, he  
loves to hug lambs, chase cows  
and tease chicks on the family's  
100 acres near Columbus, Ohio.  
He is a good example of  
thousands of afflicted children  
being helped to live nearly  
normal lives through a unique  
medical care program financed  
by The National Foundation-  
March of Dimes.

Babies with birth defects are  
born every other minute in the  
United States, 250,000 of them  
each year, almost 700 each day.  
Johnny goes regularly to a  
special Birth Defects Clinical  
Study Center at Children's  
Hospital, Columbus, supported  
by March of Dimes funds.

It is one of more than 30  
similar centers across the na-

tion set up for the study and  
treatment of birth defects.

At the center, trained spe-  
cialists work together to help  
children with many kinds of  
birth defects. They include a  
neurosurgeon, orthopedic sur-  
geon, internist, psychiatrist,  
physical therapist and medical  
social worker. They have all  
their skilled hands and minds  
to work on Johnny's behalf.

Every four months, Johnny's  
mother drives him to the center  
for his check-up. "A doctor al-  
ways measures his head to  
make sure there is no change  
in size. Since 1959, his head  
size has remained relatively  
constant."

Johnny is growing up to be an  
impish, energetic and friendly  
little boy who likes to do every-  
thing and go everywhere. Espe-  
cially, he likes to wheedle rides  
on a pony at the next farm.

He'll settle, though, for a tour  
on the tractor with his mother  
or father, Julia and John, Wil-  
son.

Like Johnny, other afflicted  
children who receive proper  
treatment may live to enjoy  
shooting cap pistols, watching  
television, singing songs or  
playing a toy banjo—with the  
best of four-year-olds.

## Economic Board Tells How To Obtain Federal Aid Funds

### GET MORE FUNDS

Efforts by the State Economic Development Department to inform community leaders how to seek federal funds under the accelerated public works program are getting results.

Reports from Washington indicate Michigan communities have applied for more than twice the maximum sum the state could receive under the program. The maximum Michigan share of the program would be \$40 million under the Congressional act.

The state already has been given \$15.1 million in grants from the Community Facilities Administration, Department of Health, Education and Welfare, and National Forest Service under the program.

Michigan applicants were praised for their complete preparation of requests for funds by Sidney Woolner, Community Facilities Administration commissioner. Woolner is a former Michigan resident. He served as executive secretary to former Gov. G. Mennen Williams.

The State Economic Development Dept. spent much time and effort familiarizing communities with the types of projects which could qualify for the accelerated program grants.

The total amount sought in some 300 applications sent to Washington agencies through late December was reported at more than \$81.5 million.

### LOAN BUSINESS GROWS

Growth of the Institutions known as savings and loan associations has been steady and strong during the 75 years since the first law was enacted to permit their operation in Michigan.

Secretary of State James M. Hare, whose office oversees the operations of the associations and receives their financial reports, notes "commendable financial stability" in the Michigan groups.

"Michigan citizens can be sure that these institutions are sound," said Hare when he reported assets totaling more than \$784 million in savings and loan associations in Michigan.

Among the 35 institutions of this type at last report a Detroit association counted as the largest. This one listed assets of \$132 million.

"At the end of last fiscal year there were no associations in liquidation, dissolution, or inactive status," Hare said.

The Secretary of State credits the associations with "performing an increasingly important dual function to the public by providing safe and convenient savings and investment plans, and long-term, monthly payment home loans to families seeking to purchase, build, or repair their homes."

**SALT AND CEMENT**  
Winter can cause property owners problems which do not show until after the spring thaw, according to the Portland Cement Association.

"Traditionally used ice melting salts will not harm quality concrete, but some new types of chemical ice melters may cause surface damage to concrete driveways and sidewalks," says J. Gardner Martin, Michigan district engineer for the firm.

The use of sodium chloride and calcium chloride for snow and ice removal in Michigan has become accepted practice.

Even these salts may cause some surface scaling of certain types of concrete, Martin said, but they will not affect most concrete.

In recent years, however, several new types of ice melting chemicals using large quantities of ammonium sulphate or ammonium nitrate have appeared on the market.

Martin said tests showed these substances are extremely corrosive to even the best quality concrete.

Martin's advice is to select ice melters which will not harm the concrete, if you want to avoid replacing your sidewalk or driveway next spring or summer.

This precaution will involve reading the contents listed on the package before you buy, and avoiding the de-icers which contain ammonium sulphate or ammonium nitrate.

The old standbys sodium chloride or calcium chloride are just as effective as the new chemicals.

according to the industry spokesmen, but do not carry the harmful effects of the new products.

### DOUBLE OR NOTHING

Did you ever have the difficulty while house-hunting of trying to find a residence to buy or rent within your price range? Almost everyone has.

Consider then the plight of George Romney and his wife, Lenore, who recently found an 11-room house in Lansing to rent during his coming two years as Governor of Michigan.

The Capitol City and environs have a number of large homes, many of which can be rented on lease agreements if you have the finances.

But it seems when the Republican chief executive and his wife were shown the homes, the rental prices were boosted sometimes to double the normal amount when the owners learned who the prospective tenants were.

More than one of the home owners asked \$1,000 a month from the Governor. The Romneys finally settled on one at \$400 a month, figuring this was enough to pay even at the Governor's annual salary of \$27,500.

## SUNDAYS SERMON

Rev. ROBERT H. HARPER

**FLIGHT OF TIME**  
ONE day at a sugarhouse in southern Louisiana, where I was employed as cane weigher and odd jobs about the office, I fell into conversation—no van of cane arriving at the moment—about the approaching holiday season, with the colored man who ran the cane hoist. "Which comes first, Christmas or New Year?" the man asked me, then smiled broadly when I replied, "Christmas."

**JUST A THOUGHT:**  
We cannot live in the past. Try as we may, the problems of today sooner or later force us to recognize them. We can enjoy today, and pave the way for a better tomorrow, if we meet our problems consistently and do not shove them aside to haunt us another day.

Without thinking of what I was saying, I had answered with the name of the day that would come first without regard to the seasons and years. As a matter of fact the divisions of time that we employ are but figments of fancy. There is no division of time. A friend of my boyhood, with a mixture of Latin and English, was accustomed to say, "Tempus do fugit." But in reality time does not fly. It is always with us. And to us it is always today.

We speak of the past, but no man can know the past, except through the wondrous power of memory. In a few hours today will be yesterday with its many thousand years, and no man will ever return to one moment of the past. We speak of the morrow but the morrow will never come. It is always today and it will be today through all the ages of eternity.

## BRING 'EM BACK ALIVE

### The Right Time To Buy

Any automobile dealer will regretfully confirm, people don't visit used car lots when the weather is cold and snowing. They wait until it is warm and sunny and all the other buyers are out car buying too.

This is much like an investor waiting until there is a great demand for a stock—pushing its price up—before he decided to buy. As the King of Siam used to say: Is a puzzle.

1962 car sales have been booming. Starting in November, which recorded the highest one-month new car sales in history, new car buyers have been filling dealers' used car lots with many choice used models. If you wait until Spring sunshine sets the buying stage, you may have to shop from fewer offerings at higher prices.

A used car should be thoroughly reconditioned if it is going to give its new owner satisfaction. A buyer should check if a car has been in a major wreck or was a taxi. If the recorded mileage represents something close to the true amount of wear. He should check for ring and valve wear and for worn shocks. These and other required precautions are necessary if you are to avoid purchasing a vehicle that will later turn out to be a source of grief instead of satisfaction. If you buy your used car from us, you can be assured that we checked all these points and others before we put it on our lot.

## Bits O' Talk

Howard Davis arrived the Friday before New Years and spent until Monday as a guest of the Hal Walkers, who drove him home and spent New Years eve with his parents, Mr. and Mrs. Vernon Davis of Grosse Pointe Farms.

The Don Jansen family was in Saginaw for the weekend before New Years, to celebrate a late Christmas on the 30th with Don's sister and family, the John Lists, and to celebrate four family birthdays on the 31st at Mrs. Jansen's parents' the William Horns. Don's birthday, Mrs. Horn's, Kay Jansen's and Richard Peters' birthdays are those falling close together.

Callers at the Bruce Smith home last week for a day were Mrs. Smith's aunt, Mrs. Arvid Sundin, and Mr. and Mrs. Kenneth Peterson and two sons, all from the U. P. They were on their way to Detroit.

Be sure to see the Pyrofax Gas advertisement on page six of this issue. Post Oil Co., Inc.

Guests of Mr. and Mrs. Clyde Culver over New Years were Mr. and Mrs. Frank Gyorkos and daughter Susan of Flint. Their holiday guests, Mr. and Mrs. Joseph Kovacs of Chicago, returned to their home on New Years Eve. The Culvers saw an owl swoop down out side their home at Lake Margrethe Thursday evening, in hot pursuit of a muskrat, which just barely made it to his hole.

Word was received here December 28th of the death of John Madsen, at Newberry. Mr. Madsen at one time lived here in Grayling and also in Johannesburg. He was a brother-in-law of Mrs. Peter Madsen of Grayling. He is survived by one son, George of Newberry. Services were held Saturday, December 29th.

An inquiry recently as to Grayling's elevation above sea level resulted in the Avalanche calling the U. S. Geological Survey, which came up with the information that the marker located at the sidewalk corner of Peninsular and Michigan Aves., described as the "south corner of the courthouse lawn, etc." marks an elevation of 1,140.854 feet above sea level. The markers, which are located all over the country in various places, do not carry the numbers, as they were permanently imbedded before the measurements were completed.

Mr. and Mrs. Francis Warner of Lake Odessa visited his sister and family, the Arthur Warners, New Years Day and Wednesday. The Warners planned to leave for Mexico last week, and after that go on to California to visit his sister, planning to return to their home in April.

Gen. and Mrs. Ronald D. McDonald and children of Okemos spent the weekend here, enjoying skiing.

Dr. and Mrs. Lowell Green visited her sister, Mrs. K. W. Clapp.

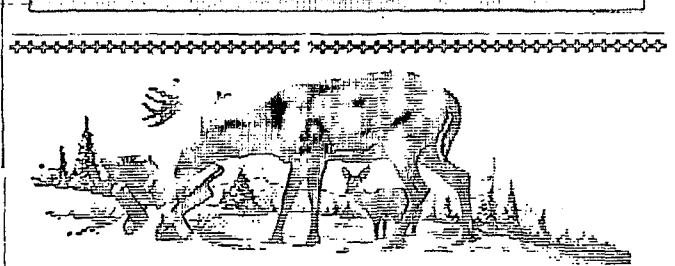

in Grand Rapids for three days over Christmas.

Christmas company of Mr. and Mrs. Dan Bonner and family were his sister and family, Mr. and Mrs. Tom Murphy and children of Galion, Ohio, from the 22nd thru 26th.

Mrs. Harry Weideman has been spending a couple of weeks with her mother, Mrs. John Brady. Major Weideman came down from K Sawyer AFB on the weekend to see her mother.
